## FLOWER CLOCK

---

### FLOWER CLOCK

---

#### SUPPLIES NEEDED:

1. Clock Mechanism Kit
  2. Cardboard or Heavy Cardstock
  3. Printable
- 

#### ASSEMBLE INSTRUCTIONS:

1. Cut out printable clock face.
2. Cut cardboard into a strip: 17" long x 2" wide.
3. Fold strip 1 inch, then fold remaining into three equal parts to create a triangular stand.
3. Using the tip of a scissors or pen create a small hole in the middle of the clock and in the center of the center fold of the stand.
5. Attach clock motor to the back of the stand and follow directions from motor kit to attach.
6. Attach clock face to front of stand.
7. Attach hands of the clock. Trim the hands to fit the clock.  
Follow clock instructions to attach hands.
